In our special house for children there are...

a perfect room for cat because what child doesn't like cats ? NONE !

There are also bedroom in the adventurer theme !

But there are also the virtual room.

Be careful child if there is a play park!!

if you are bored here is our mini zoo!!!

the highlight of the first floor show because YES it is exhausting to go up and down stairs instead you can climb climbing walls and go down slides

Baby.House.Com Call us at : 754.213.954

On the second floor there is a tastings room for gourmets !! with a super chocolate fountain !!

there are also 2 princess bedrooms for little princess !

there is a dinner room with a climbing wall to digest well !

There is a perfect mini kitchen adapt to your small size !

To finish this second floor there are the super toilets !

BaBy.House.Com Call Us at : 784.213.954

to finish this house we have the super leisure floor with its own go-kart track, cinema, ice rink, trampoline park and its own water park!!
